about me

Bilingual content creator and community manager with 6+ years building brand presence across digital channels. I develop content strategies, manage multi-platform communities and produce the visual assets that go with them. Background in education, marketing and international operations, currently finishing a Bachelor's in Multimedia Arts at Universidad Nacional de las Artes.

SKILLS

- Community & Meta Ads management
- Social media design
- Video editing
- Canva & Adobe Suite
- Copywriting EN / ES

EDUCATION

2023 – now	Multimedia Arts – UNA
2024	UI/UX Design
2023	Digital Marketing

EXPERIENCE

2025	Freelancer at WeWant Studio Branding, product content, community management and Meta Ads for national and international clients.
2024	Content Creator – Social Media Posts, stories and copy for emerging artists; content for art galleries.
2022	Marketing Director – AIESEC Argentina Creative team and social media management. International support and follow-up.

AIESEC Argentina

Campaign & social – 2022

AIESEC is a non-profit focused on international volunteer programs, and on guiding students near the end of their degrees toward a first formal work experience abroad.

- ▶ Visual approach designed to be eye-catching, youthful and fresh.
- ▶ Full campaign across feed and stories, in Spanish and English.
- ▶ Led the creative team and the social media operation.

Freelance content — 2024

Freelance content creation and community management for clients in the art industry: digital campaigns and content for galleries, artists and private clients.

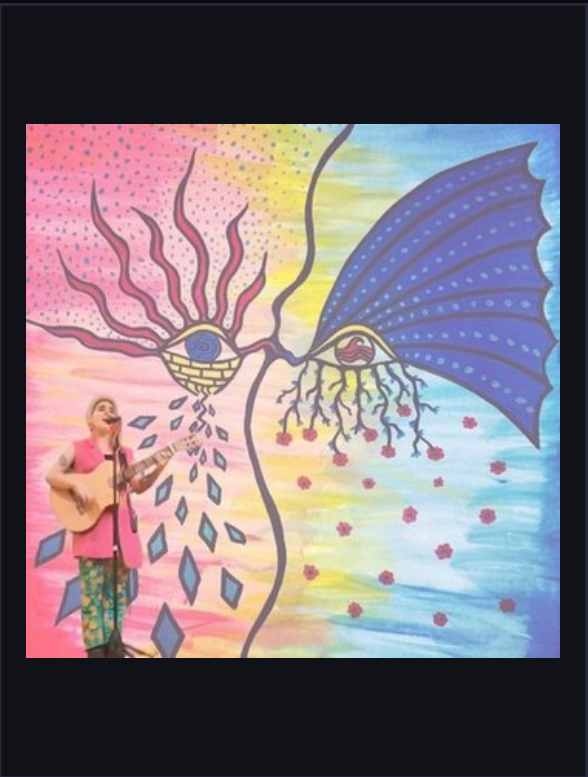

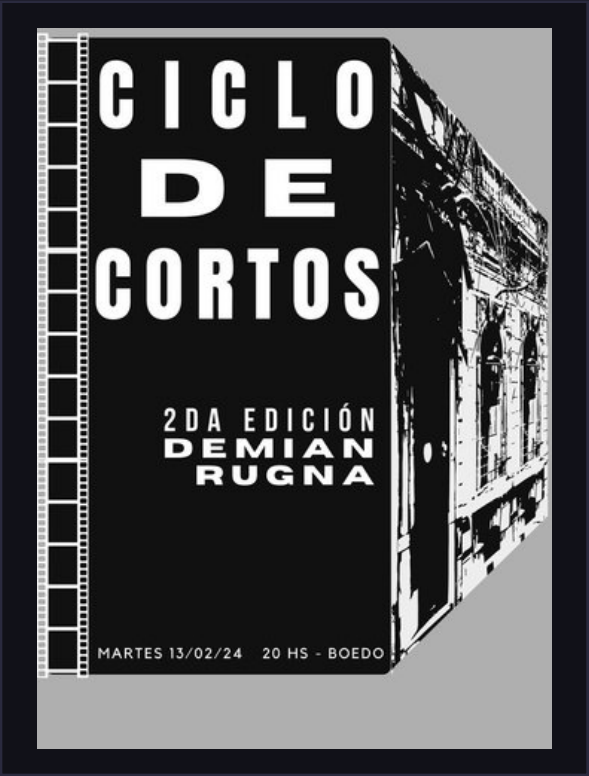

- ▶ Posters and event pieces for film cycles and exhibitions.
- ▶ Feed design keeping a consistent visual identity across each cycle.
- ▶ Copy and scheduling for each launch.

Tiberio Food & Coffee

WeWant Studio – 2025

In 2025 I joined the freelance studio WeWant as a content creator and community manager, running Meta Ads campaigns for national and international clients. Tiberio is a Buenos Aires gastronomy client, included here as an example.

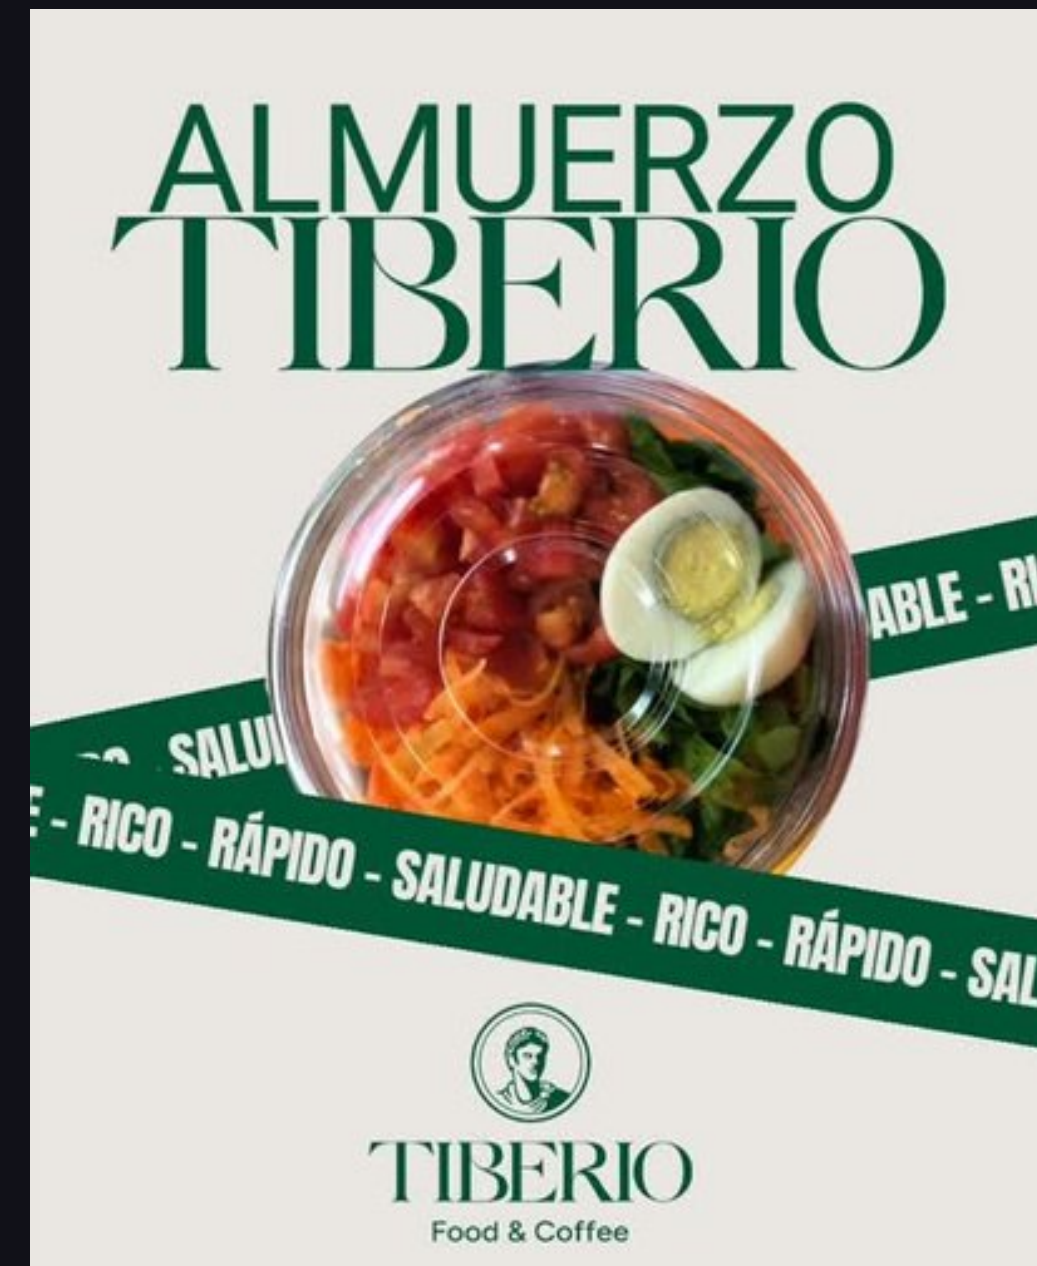

- ▶ Product content and brand pieces for feed, stories and ads.
- ▶ Consistent typographic system across every piece.
- ▶ Meta Ads campaign management.
